Pastor’s Corner:

A very happy Sabbath to each one of you. Whether this has been your church home for many years, or you are here for the very first time, we welcome you! Each Sabbath we gather here to worship the Lord and fellowship with others. Yet if people came only to observe, what would they find? What would they witness?

A witness is someone who has seen and knows something firsthand, which makes their testimony valuable.

Did you know that years ago, there were many questions about the authenticity of the story of Jesus? Are you aware that there are still many questions people have today? As we consider what was shared by *Jehovah's First Witnesses*, may we each be modern witnesses of the truths regarding Jesus Christ.

Blessings,

Mark Weir
